ED questioning Sonia Gandhi

Congress workers take to streets; taken to custody

Mysuru, July 22 (PM&DM)- Enraged by the questioning of Congress supremo Sonia Gandhi by the Enforcement Directorate (ED) in *National Herald* money laundering case, party workers are staging protests across the country since yesterday.

The 75-year-old Congress Chief was questioned by the Central agency a few days after she tested negative for COVID-19 and was released from the hospital. Strongly condemning the ED action, hundreds of Congress workers staged a massive demonstration at Gandhi Square in Mysuru this morning.

The protestors were led by former Deputy Chief Minister Dr. G. Parameshwara. He accused the Centre of misusing Central agencies such as ED, IT and CBI for targeting Congress leaders.

Alleging that the Centre is using Constitutional agencies against Opposition leaders, he questioned the ED's action of summoning Sonia Gandhi when no FIR had been registered against her.

EDITOR'S BOTTOMLINE

In today's world of addictive social media, the normal 16-waking hours seem to shrink. People complain about lack of time, especially for spiritual pursuits. For office commuters, this is justifiable, as along with time their energy too is drained out in the bargain. But even such individuals could reserve a niche time early in the morning for communion with the Almighty. The commute time may be used to listen to talks on the holy scriptures. Each one's clock is ticking by. Shirdi Sai has referred to greed, lust, jealousy, anger, selfishness, and ego as the crocodiles from which the individual needs to escape while wading through the ocean of existence. This is tough as man is full of such "rajas" and "tamas" qualities. A spiritual speaker referred to Facebook and WhatsApp (forwards) too as the modern-day crocodiles, preying on the precious resource, one's time.

The Lord wishes that his children never veer far away from him, and is patiently waiting for his fold to return to Him. The best way to ensure this is to spend time listening to talks on ancient scriptures and epics like Ramayana, and Mahabharata that include the gem - the Bhagavad Gita.

Tekesi County: The unique bagua-shaped city

Beijing: Built according to the Bagua", or the Eight Trigrams used in Taoist cosmology, Tekesi County has a unique and eye-catching layout that allegedly renders traffic lights obsolete.

Bagua represents the fundamental principles of reality, seen as a range of eight interrelated concepts. It is a complex concept of Taoist cosmology which also has correspondences in astronomy, geography, anatomy, martial arts, medicine, and other disciplines.

It is also an essential tool in the majority of Feng Shui schools, used to map a room or location and see how the different sections correspond to different aspects in one's life. But one thing the Bagua isn't really used for is city planning; with one notable exception – Tekesi County, a city of 150,000 people in Northwest China's Xinjiang Uygur autonomous region.

Artist scribbles detailed portraits of celebrities

Manila: Talented self-taught artist from the Philippines who goes by the name Arsenic Junior, creates stunningly-detailed portraits of celebrities and popular fictional characters by scribbling on pieces of paper.

Arsenic Jr. proves that scribbling can be a viable technique, even when working on detailed portraiture. Even though it might seem messy and careless at first glance, scribbling, when done by a true artist, can be awe-inspiring. Looking at the portraits below, it's hard to believe they consist exclusively of scribbles, but a careful inspection reveals that to be the case.

REALLY...?

- *Hanuman prays for Rama in most of North India. It is a custom to apply sindoor (another name for kumkum) to Lord Hanuman. One day, Hanuman saw Sita applying sindoor and asked her the reason for it. She explained that she was praying for Lord Rama's long life. At this, Hanuman applied sindoor all over his body and presented himself to Lord Rama. This devotion and affection moved Rama, who then granted Hanuman eternal life. This is how the custom of decorating Hanuman with sindoor started.*

Clear the extra mud from Valmiki Road footpath

Sir,

The footpath on CFTRI side of Valmiki Road has been covered with mud and the level of mud is more than the height of kerb stones. Hence during rains, the mud flows on to the road and forms a slush pool which makes it difficult to walk on the road also.

I request the MCC to get the extra mud removed at the earliest. Also the ducts that drain water from this side of the road to the side ditch are filled with mud which too needs to be removed.

The footpath from Valmiki Road junction on CFTRI side to the junction of Adipampa-Valmiki Road is covered with mud inconveniencing the pedestrians who are forced to walk on road.

Droupadi Murmu is India's new President

At 64, she is youngest and India's first President to be born after Independence

New Delhi, July 22 (Agencies)- India got its first tribal President yesterday as NDA choice Droupadi Murmu scooped up over 60 per cent of the total vote value. Opposition's Yashwant Sinha conceded defeat after three rounds of counting. Murmu is likely to take oath on July 25 with incumbent President Ram Nath Kovind's tenure ending on July 24.

Droupadi Murmu got 64.03 per cent of the total vote value after three rounds of counting. Sinha ended up with 35.97 percent. Murmu received 2,824 votes with a value of 6,76,803. Sinha received 1,877 votes with a value of 3,80,177. A value of 5,43,000 is required for a victory.

Prime Minister Narendra Modi, along with senior members of his Cabinet visited Murmu to congratulate her. Celebrations broke out across the country, complete with sweets and colourful tribal dances. At 64, Murmu will be the youngest and India's first President to be born after Independence.

Amid congratulatory messages pouring in for Murmu from all political parties, the BJP took a jibe at West Bengal Chief Minister Mamata Banerjee. BJP's Amit Malviya said there was intimidation to West Bengal BJP legislators to cross vote but all BJP legislators from Bengal backed Murmu, while 2 TMC MPs and 1 MLA cross-voted. "Mamata Banerjee, the self-appointed fulcrum of opposition unity, failed to prevail over her own legislators," Malviya said.

Prime Minister Narendra Modi greeting the new President Droupadi Murmu with a bouquet at New Delhi yesterday.

Odisha's Rairangpur, the hometown of Murmu, broke out in celebrations as the trend became clear. NDA's choice of Murmu — former Jharkhand Governor and a tribal woman from Odisha — drove a wedge through the Opposition and brought on board non-aligned parties such as Naveen Patnaik's Biju Janata Dal and Jagan-mohan Reddy's YSR Congress.

The voting figures also indicate a considerable amount of cross-voting by opposition MPs and MLAs in Murmu's favour. While parties have declared support for one candidate or the other, there is no penalty for cross-voting in Presidential Polls. While no concrete data is available yet on the volume of cross-voting, in several States, the BJP claimed that opposition MLAs broke rank with their parties. "Droupadi Murmu polled 104 votes compared to NDA's original strength of 79 in the 126 member Assam Assembly. 2 absent," tweeted Assam CM.

Status of 10-lane Mysuru-Bengaluru Highway

Main carriageway to open in October this year: MP

Pratap Simha

Mysuru, July 22 (RK&BCT)- Amidst reports that the 10-lane Mysuru-Bengaluru Economic Corridor (Expressway) will not be open anytime soon, Mysuru-Kodagu MP Pratap Simha has clarified that the main carriageway of the Expressway will be open to traffic by October this year.

During the Dasara High-Powered Committee meeting in Bengaluru on July 19, Chief Minister Basavaraj Bommai told reporters that the works had been delayed due to various factors including heavy rains and the project is not scheduled to open during Dasara as mentioned earlier.

On Wednesday, PWD Minister C.C. Patil too seconded the CM's words by saying that the works on the mega project have been delayed and will not open during Dasara-2022.

Speaking to *Star of Mysore* yesterday, the MP said that the main carriageway of the Expressway would be open by October this year while there are other pending works on the entry and exit points that will take another six months.

"It is a Central Government project and there are some pending works in the entry and exit points of the Highway like in Mandya, Maddur, Channapatna and Ramanagara. These works will take time as several factors need to be considered keeping in mind the needs of the local travellers including those who take the service roads. But the main carriageway will be open by October," he added.

Sources from the National Highways Authority of India (NHAI) which is implementing the project said that over 70 percent of the works had been completed. There are some pending works at a couple of flyovers and underpasses that will take time to finish, they added.

The total length of the Expressway is around 117 kms and it is being executed under two packages — the first one runs from Bengaluru to Nidaghatta in Maddur taluk and the second one from Nidaghatta to Mysuru.

The corridor has nine major bridges, 44 minor bridges and four rail overbridges. It comprises a six-lane access-controlled carriageway for traffic to move at a high speed and a two-lane service road on either side for the benefit of local traffic.

It may be recalled here that in March this year, Union Minister for Road Transport and Highways Nitin Gadkari had tweeted saying, *"The 10-lane Bengaluru-Mysuru Economic Corridor is being constructed at record speed. The Rs. 8,172-crore Economic Corridor is likely to be completed by October 2022. It will reduce the travel time between the two cities from the current 3 hours to only 90 minutes."*

Museum of legacy iron crest gates planned at KRS Dam

A file photo of crest gate replacement work at KRS Dam.

Mysuru, July 22 (RK&BCT)- A museum of old crest gates conceptualised and designed by Sir M. Visvesvaraya will be an added attraction for tourists who visit the 90-year-old Krishna Raja Sagar (KRS) Dam as the Cauvery Neeravari Nigam Limited (CNNL) that manages the reservoir is making grand plans for the same.

These crest gates, numbering over 173, are made out of iron where molten iron was poured into moulds and then left to cool. The museum will come up within the KRS Dam premises and the legacy gates will be arranged in such a manner that visitors can see how exactly the Dam gates function during water release when the reservoir reaches its full capacity.

But for the museum to come up, the replacement of old crest gates must be completed and now, the works have been put on hold as the reservoir is filled up to the brim and there is no scope to replace the old crest gates. Instead, the CNNL authorities have taken up 'hoisting work' above the Dam structure.

In all, there are 173 crest gates in the Dam including 152 flood gates and the gates from where water is released to canals. The project has been taken up with the Rs. 57-crore World Bank-funded Dam Rehabilitation and Improvement Project (DRIP). In all, 136 gates have to be replaced under the project.

"We have completed the replacement works of 40 gates at 106 ft level. 23 out of 48 gates at 103 ft level and 12 gates out of 48 at 114 ft level. In all, we have completed the replacement of 75 crest gates and are yet to complete the replacement of 61 old gates. Works will begin in summer as soon as the water level depletes," CNNL sources explained.

When Chief Minister Basavaraj Bommai was the Water Resources Minister in the B.S. Yediyurappa cabinet of 2008, 16 gates were replaced at 80 ft level. Bommai, during his recent visit to the KRS Dam to offer Bagina, recalled that when he visited the Dam in 2008, the condition of the crest gates was bad and gunny bags were used to plug leakage.

"Later, a decision was taken to replace the crest gates in a systematic manner and 16 gates were replaced in the first phase," he said. Continuing, the CM said that in all, the State has released Rs. 160 crore so far for the Dam works.

"The safety of the Dam has been enhanced. Also, the life span of the original crest gates was 35 years but they were utilised for 75 years. Now the new gates will have a longer lifespan and will be more efficient," Bommai added.

CNNL official sources said that the CM had asked them to prepare a plan to develop the Brindavan Gardens and the water fountains. "This will not be a Disneyland-like project but a mega project to develop the Brindavan Gardens and the water fountains to attract more tourists. We are conducting a series of meetings brainstorming on how the development can take place without harming the heritage value of the Dam and Brindavan Gardens," sources added.

Bad roads deter tourists from visiting KRS reservoir

CM releases Rs. 9.4 crore for road repair works

Srirangapatna, July 22 (Vinay Karekura&BCT)- Tourists are shying away from visiting the Krishna Raja Sagar (KRS) Dam due to bad roads. Not one approach road to the Dam is in good shape. Officials from the Cauvery Neeravari Nigam Limited (CNNL) told *Star of Mysore* that the bad roads are a deterrent for tourists visiting the KRS.

Roads surrounding Srirangapatna, especially the Paschimavahini-Kannur Highway (Pump House Road), Ganjam Road and Srirangapatna-Jewargi Road are ridden with deep potholes and any careless move will land a vehicle in a slush-filled ditch.

The commute on the road, especially for regular travellers who have to reach their places of work, is nightmarish. Even the buses move in a cautious manner here lest any damage is caused to the heavy vehicle parts.

Realising the condition of the roads, Srirangapatna MLA Ravindra Srikantaiah appealed to Chief Minister Basavaraj Bommai to release funds for road repairs. The CM, who came to offer Bagina to KRS Dam recently, released Rs. 9.4 crore for road repairs.

"The road from Srirangapatna to KRS was in a bad shape. When I submitted a representation to the Chief Minister, he immediately approved Rs. 9.4 crore for road improvement works," Srikantaiah told reporters.

City roads await Dasara for salvation

Enthusiasm shown to re-asphalt routes taken by PM's cavalcade clearly missing this time

Mysuru, July 22 (SBD&BCT)- The State Government has decided to celebrate Dasara 2022 in a grand manner as there was no opportunity to showcase pomp and glory in the last two years owing to COVID pandemic.

Though the High-Power Committee meeting held in Bengaluru, chaired by the CM decided to release Rs. 10 crore through MUDA for Dasara, the meeting maintained a stoic silence on the funds for development works including a facelift for city roads that desperately need attention.

The low-key Dasara that was celebrated in 2020 and 2021 owing to the pandemic gave an excuse for the Mysuru City Corporation (MCC) not to take up civic works on a large scale. In fact, after 2019, no major road works were taken up and as a result, the roads are in a bad shape today, forcing the common man to curse the MCC and question its accountability.

While the State was quick to release Rs. 10 crore just days ahead of Prime Minister Narendra Modi's June 21 visit to Mysuru to take part in the International Day of Yoga celebrations, it is now silent on the development of other roads, indicating that this year too, the MCC would carry out hotch-potch patchworks to fill the potholes.

The enthusiasm shown in re-asphalting the roads to make the PM's ride on select roads (up to 18 kilometres) a smooth affair is clearly missing here to make the common man's commute hassle-free. Usually, the cash-strapped MCC starts the patch-up works just a fortnight ahead of Dasara.

Patchworks this year too?

Patchworks and last-minute road and footpath works are a bane for this Heritage City and this routine is followed religiously by the official machinery and the political class every year and the way the works are carried out routinely invite public criticism.

These eleventh-hour works are naturally shoddy and the road or footpath is back to square one in just a few months, endangering public safety. And these are again taken up next year as part of patchwork, giving jobs, commissions, cuts and percentages to a long list of people who wait desperately for Dasara to make money. And the cycle goes on every year.

Fate of Rs. 7.5 crore tender unknown

It may be recalled here that in December 2021, the MCC had called for tenders to repair roads in all the 65 Wards and all the works were to be completed by February-March 2022. The tenders were for road works including pot-hole-filling and laying of new roads in all the Wards and a sum of Rs. 7.5 crore was fixed. The tender was to be finalised on Jan. 6, 2022. However, there is no further news of the tender.

Reacting to the bad shape of the roads, In-Charge Mayor Sunanda Palanetra told *SOM* that last year, she had asked for a special grant from the CM for Dasara road works. "Due to COVID and other factors, the grant was denied. But later, the CM granted Rs. 50 crore for MCC and of this, Rs. 25 crore has already been received. Many roads have been cleared of potholes with this amount in Wards — as each Ward has been given Rs. 10 lakh — and the delay in completing the works is due to rain," she explained.

The Mayor said that almost all roads in 65 Wards will be taken up once the rains stop as the tender process is already complete. "I once again appealed to the CM to release Rs. 10 crore for Dasara beautification, at least on the *Jumboo Savari* route," she added.

Congress workers take to streets; taken to custody

(Continued from page 1)

Maintaining that the BJP Government at the Centre was out to settle scores with Opposition leaders by unfairly targeting them, Dr. Parameshwara urged the Centre to stop misusing Central agencies. He warned of a nationwide demonstration too.

Later, the Congress workers set out on a *padayatra* to the IT (Income Tax) office in Nazarbad, when they were stopped by the Police at Silver Jubilee Clock Tower, following which a verbal argument broke out between the Police and the protestors.

As heated exchanges ensued, the Police bundled Congress leader Dr. H.C. Mahadevappa and scores of other leaders into a van and took them to CAR grounds, from where they will be released later in the afternoon.

Condemning this, Dr. Parameshwara resorted to an instant sit-in protest at the venue demanding that the Police allow the *padayatra* to the IT office. As Dr. Parameshwara remained adamant, he too was taken into custody.

Former Legislators Kalale Keshavamurthy, R. Dharmasena and M.K. Somashekar, KPCC Women's Wing President Dr. Pushpa Amarnath, leaders K. Harish Gowda, K. Marigowda and Chandramouli, City Congress President R. Murthy, District President Dr. B.J. Vijaykumar and a host of others took part.

Mysuru, July 22 (DM)- The Jayadeva Hospital (Jayadeva Institute of Cardio-Vascular Sciences and Research) located on KRS Road in city will get its fourth Cath Lab Unit soon.

This was announced by Jayadeva Hospital Director Dr. C.N. Manjunath, when Mysuru Jayadeva Hospital Medical Superintendent Dr. K.S. Sadananda called on him at Bengaluru on Wednesday to greet him on his one-year extension as the Hospital Director.

Pointing out that Mysuru Jayadeva Hospital is being visited by 700 to 800 patients with heart ailments on an average every day as out-patients, Dr. Manjunath said that the Hospital is performing 35 to 40 Cath Lab procedures on an average every day.

In order to ease the pressure on the three Cath Lab Units, a fourth one will soon be established in about 45 days, which will largely help in reducing the waiting time for patients, he pointed out. Continuing, Dr. Manjunath said that a 50-bed Jayadeva Hospital Satellite Centre will be set up in Bengaluru's K.C. General Hospital by the end of next month. The facility will have a Cath Lab, Out Patient Department and an ICU, he said adding that this will be of huge help for the local population.

Citizens oppose plans to introduce entry fee for Lingambudhi Tree Park

Mysuru, July 22 (MTY&DM)- Strongly opposing the Forest Department's moves to introduce entry free for Lingambudhi Lake, citizens under the banner of Lingambudhi Park Joggers Samiti, staged a demonstration in front of the North Gate of Lingambudhi Lake in Ramakrishnanagar here yesterday.

Maintaining that Lingambudhi Lake is the biggest lake of the city with a long historical background, the protestors said while most parts of the Lake is filled with water, the rest of the area is notified as a Reserve Forest. Contending that lakes and other such water bodies are public property, they argued that the Forest Department's moves to introduce entry fee will only discourage citizens from visiting the Lake for jogging and walking. The Department's decision to introduce entry fee under the pretext of lake maintenance cost, is nothing but an injustice rendered to the public, they said.

Opposing the Forest Department's move, the protestors wanted the Forest Department to instead organise programmes aimed at educating elderly citizens, children and students on bio-diversity. They urged the Forest Department to drop the move on entry fee.

ACF Lakshmikanth, who spoke after receiving a memorandum from the citizens, said that there is no proposal before the Forest Department on introduction of entry fee. The entry to the Lake will be free as usual, he maintained adding that citizens need not be unduly worried about entry fee.

Samiti members Siddesh, T.R. Sunil Kumar, Nagesh, P.S. Sandhya, Avinash, Kini, Lakkimar, Narakesari, Shivakumar, Basavanna, Lokesh, Sumathi and Janardhan, members of Basaveshwara Seva Samiti, Surabhi Mahila Sangha, Nagarika Samitigala Samanvaya Vedike and others were present.

Agents lease out some other person's house, cheat tenant of Rs. 5 lakh

Mysuru, July 22- Agents have reportedly leased out a house belonging to some other person and has cheated the tenant of Rs. 5 lakh.

The tenant, who has been cheated, is 58-year-old Pushpa Ramesh Shet, a resident of Vidyaranyapuram.

One Bharathi and Sunil Kumar, who are agents to search houses for tenants, introduced one Vinaykumar to Pushpa and told her that his house located on the 11th cross of 4th Main Road in Vidyaranyapuram was available for lease at Rs. 13 lakh and took Rs. 5 lakh from her. They later got a lease agreement paper done and gave it to Pushpa.

But when Pushpa came to know that the house belonged to late Sathyanand Kumar and Vinaykumar was not the owner of the house, she demanded Bharathi and Sunil Kumar to return Rs. 5 lakh which they had received from her. As Bharathi and Sunil refused to return her money and began to avoid her, Pushpa lodged a complaint against Bharathi, Sunil Kumar and Vinaykumar at Vidyaranyapuram Police Station.

Promising a clerk's job, miscreants dupe BBM graduate of Rs. 2.80 lakh

Periyapatna, July 22- Two persons, promising a clerk's job at Mysuru's Jayadeva Hospital has cheated a BBM graduate of Rs. 2.80 lakh and a case has been registered at Periyapatna Police Station.

While the BBM graduate who was cheated is 30-year-old P.C. Pallavi of Panchavalli village in the taluk, the two persons who cheated her, is Somanna, a resident of Vaddera Hosahalli village in Periyapatna and T.N. Madesh, a resident of Turukanakoppa village in K.R. Pet taluk.

Pallavi, who was a graduate had told her father and her husband that she would like to take up a job and her father had told the same to one Somanna, who used to visit his house. In June, 2018, Somanna brought Madesh to the house of Pallavi, where Madesh and Somanna, told Pallavi and her father that there was a vacancy of a clerk's job at Mysuru's Jayadeva Hospital besides stating that they have to pay Rs. 4 lakh for getting that job. Pallavi and her family members, believing the two, paid a total of Rs. 4 lakh between June 1 and 19 in 2018 to them.

As they did not get the job even after four years of paying the money, Pallavi's family members went to the house of Somanna and demanded him to return the money following which he paid Rs. 1.20 lakh and even after going to the houses of Somanna and Madesh many times, they did not pay the remaining Rs. 2.80 lakh and began to give evasive replies, according to the complaint lodged by Pallavi.

WORD OF THE DAY

Sanction

Pronunciation: SANK-shun.
Meaning: Sanction means both "to give effective or authoritative approval or consent to" and "to impose a penalty or economically or militarily coercive measures."
Origin: The noun sanction, meaning "authoritative approval" or "a coercive measure," entered English in the 15th century, and originally referred to a formal decree or law, especially an ecclesiastical decree. (The Latin sancire, meaning "to make holy," is an ancestor.) The noun's meaning then extended in different directions. By the end of the 17th century, it could refer to both a means of enforcing a law (a sense that in the 20th century we began using especially for economic penalties against nations violating international law) and the process of formally approving or ratifying a law. When the verb sanction appeared in the 18th century, it had to do with ratifying laws as well, but it soon acquired an additional, looser sense: "to approve."
Example: "Johnson himself was fined 50 pounds, making him the first British prime minister to be sanctioned for breaking the law while in office."

PHRASE OF THE DAY

Second-guess

Meaning: To criticise and offer advice, with the benefit of hindsight; To foresee the actions of others, before they have come to a decision themselves.
Origin: A commonly used meaning of 'to second-guess' is to criticise the actions of others, after the event. The event in questions was, and often still is, a sporting event. The term is derived as what is known as a back-formation. As back-formations loom large in etymology I'll break off to explain what they are. New words are usually created from existing words. For example, we all know what 'fishing' means and, armed with that knowledge we could easily coin the word 'fisherman' & a phrase like 'fishing for compliments'. Sometimes though, the order that words and phrases are derived in isn't so obvious. For example, people who rob from houses have been called 'burglars' since the 13th century and it might be supposed that they got their name from being engaged in 'burglary'. However, it wasn't until the 19th century that legal profession decided 'that thing that burglars do' needed to be given a name and hence 'burglary' was coined as a back-formation from 'burglar'.
